Joseph Tan

Senior Frontend Engineer · Dubai · joseph.tan@email.com · +971 53 357 6696

SUMMARY

Senior frontend engineer (6 years), deep in React and design systems. Minimal backend — I partner closely with backend teams.

SKILLS

Languages: TypeScript, JavaScript
Frameworks: React, Redux, Next.js
Styling: CSS, Tailwind, Styled-Components
Tools: Webpack, Storybook, Jest

EXPERIENCE

Senior Frontend Engineer — Lazada *(2019 – Present)*

- Lead the design-system team; built a component library used by 40+ engineers.
- Improved Lighthouse performance scores from the 60s to the 90s across key pages.
- Mentored four frontend engineers.

Frontend Developer — StartCo *(2018 – 2019)*

- Built React single-page apps for an early-stage product.

EDUCATION

BS Computer Science, De La Salle University — 2018
