Arjun Kapoor

Engineering Manager · Pune · arjun.kapoor@email.com · +971 54 630 1415

SUMMARY

Engineering manager (8 years total). Last four years leading teams; hands-on React/Node experience is a bit dated, but I still review architecture.

SKILLS

Management: team leadership, Agile, hiring, delivery
Languages: JavaScript, Java, SQL
Frameworks: React, Node.js (2018–2022)

EXPERIENCE

Engineering Manager — Wipro *(2022 – Present)*

- Manage 12 engineers across three client projects; own delivery and staffing.
- Set up the code-review and release process across teams.
- Limited hands-on coding day to day.

Senior Developer — Wipro *(2018 – 2022)*

- Delivered React/Node applications for enterprise clients.
- Led a small feature team.

EDUCATION

B.Tech CSE, Manipal Institute of Technology — 2016

CERTIFICATIONS

- Certified Scrum Master
